### **CANCELLATION TERMS:**

In the event of a cancellation, the following cancellation terms will apply:

- No refunds will be processed after the 30 April 2022. Please ensure that you have cancellation insurance to cover you should you need to cancel.
- From 01 May 2022 onwards - you will be liable for 100% of your minimum entry donation.
- Should you need to cancel due to a medical reason, please contact the Event Organisers.

Due to the logistics of this event with the cross-border formalities, we cannot be lenient about our cancellation terms. A cancellation within twelve weeks means that we forfeit the ability to fill your spot. By this time, we have already ordered and paid for many of the supplies and therefore there are costs involved which the charity would then have to carry. For this reason, we recommend that participants take out travel cancellation insurance.

### **SUBSTITUTION TERMS:**

- In a situation where the participant cannot ride and has paid in full, he/she may transfer their entry to another rider with notification to the Event Organisers.
- Substitution is only possible up until the end of June, thereafter, your entry will be forfeited.
- It is the participants responsibility to find a replacement if they can no longer participate in the Tour.
- Once substitution is confirmed with the Event Organizers the new rider **MUST** get their passport copy to the Organizers, as well as register online, by close of business that day.

### **ADDITIONAL CASH DONATIONS:**

As always, we encourage riders to raise as much sponsorship as possible. Any additional funds raised go directly to running the Children in the Wilderness programme (further information on this non-profit initiative can be found on [www.childreninthewilderness.com](http://www.childreninthewilderness.com))
